TIFFIN MOTORHOMES

2011 Allegro® with Gold Coral Exterior

Allegro

Journey back to where it all began. Meet the model that put Tiffin on the map. Say "hello" to the 2011 Allegro from Tiffin, one of the most enjoyable traveling companions you'll ever come across. Remarkably tough yet as cozy as can be, it's a popular choice among experienced and first-time RV owners alike. And for good reason. The interiors are a lesson in space-saving efficiency, able to sleep the whole family comfortably, with a sleeper sofa, optional bunk beds, and a queen-sized master bed. On family vacations, the power patio awning provides ready-made shade anywhere you go, and a 32" front TV can entertain the kids after the campfire dies out. Unlike comparable RV models with manual awnings, ours is completely automatic. Backed by the industry's best warranty, the Allegro also comes with an open invitation to visit the Tiffin team in Red Bay anytime.

2011 ALLEGRO / **LIVING AREA**

All roads lead to home sweet home. Few understand life on the road like we do. Perhaps that's why few living areas are as comfortable or as smartly crafted as ours, with custom cabinetry with solid wood cabinet fascias, an optional 37" TV with optional surround sound and DVD player, and solid surface countertops. We haven't overlooked the finer details, either. Newly aboard this year are decorative lighting fixtures, upscale carpeting, and wooden heat registers, and you'll feel the luxurious difference the Allegro offers. The kitchen is more streamlined, courtesy of an under counter mounted stainless steel sink, which keeps the area dry and easier to clean. Also, lending a hand with cleanup: an optional central vacuum cleaner and spray rinser for the kitchen sink. With three new interior color palettes, you'll have just what you need to make it feel like home.

2011 ALLEGRO / **COCKPIT**

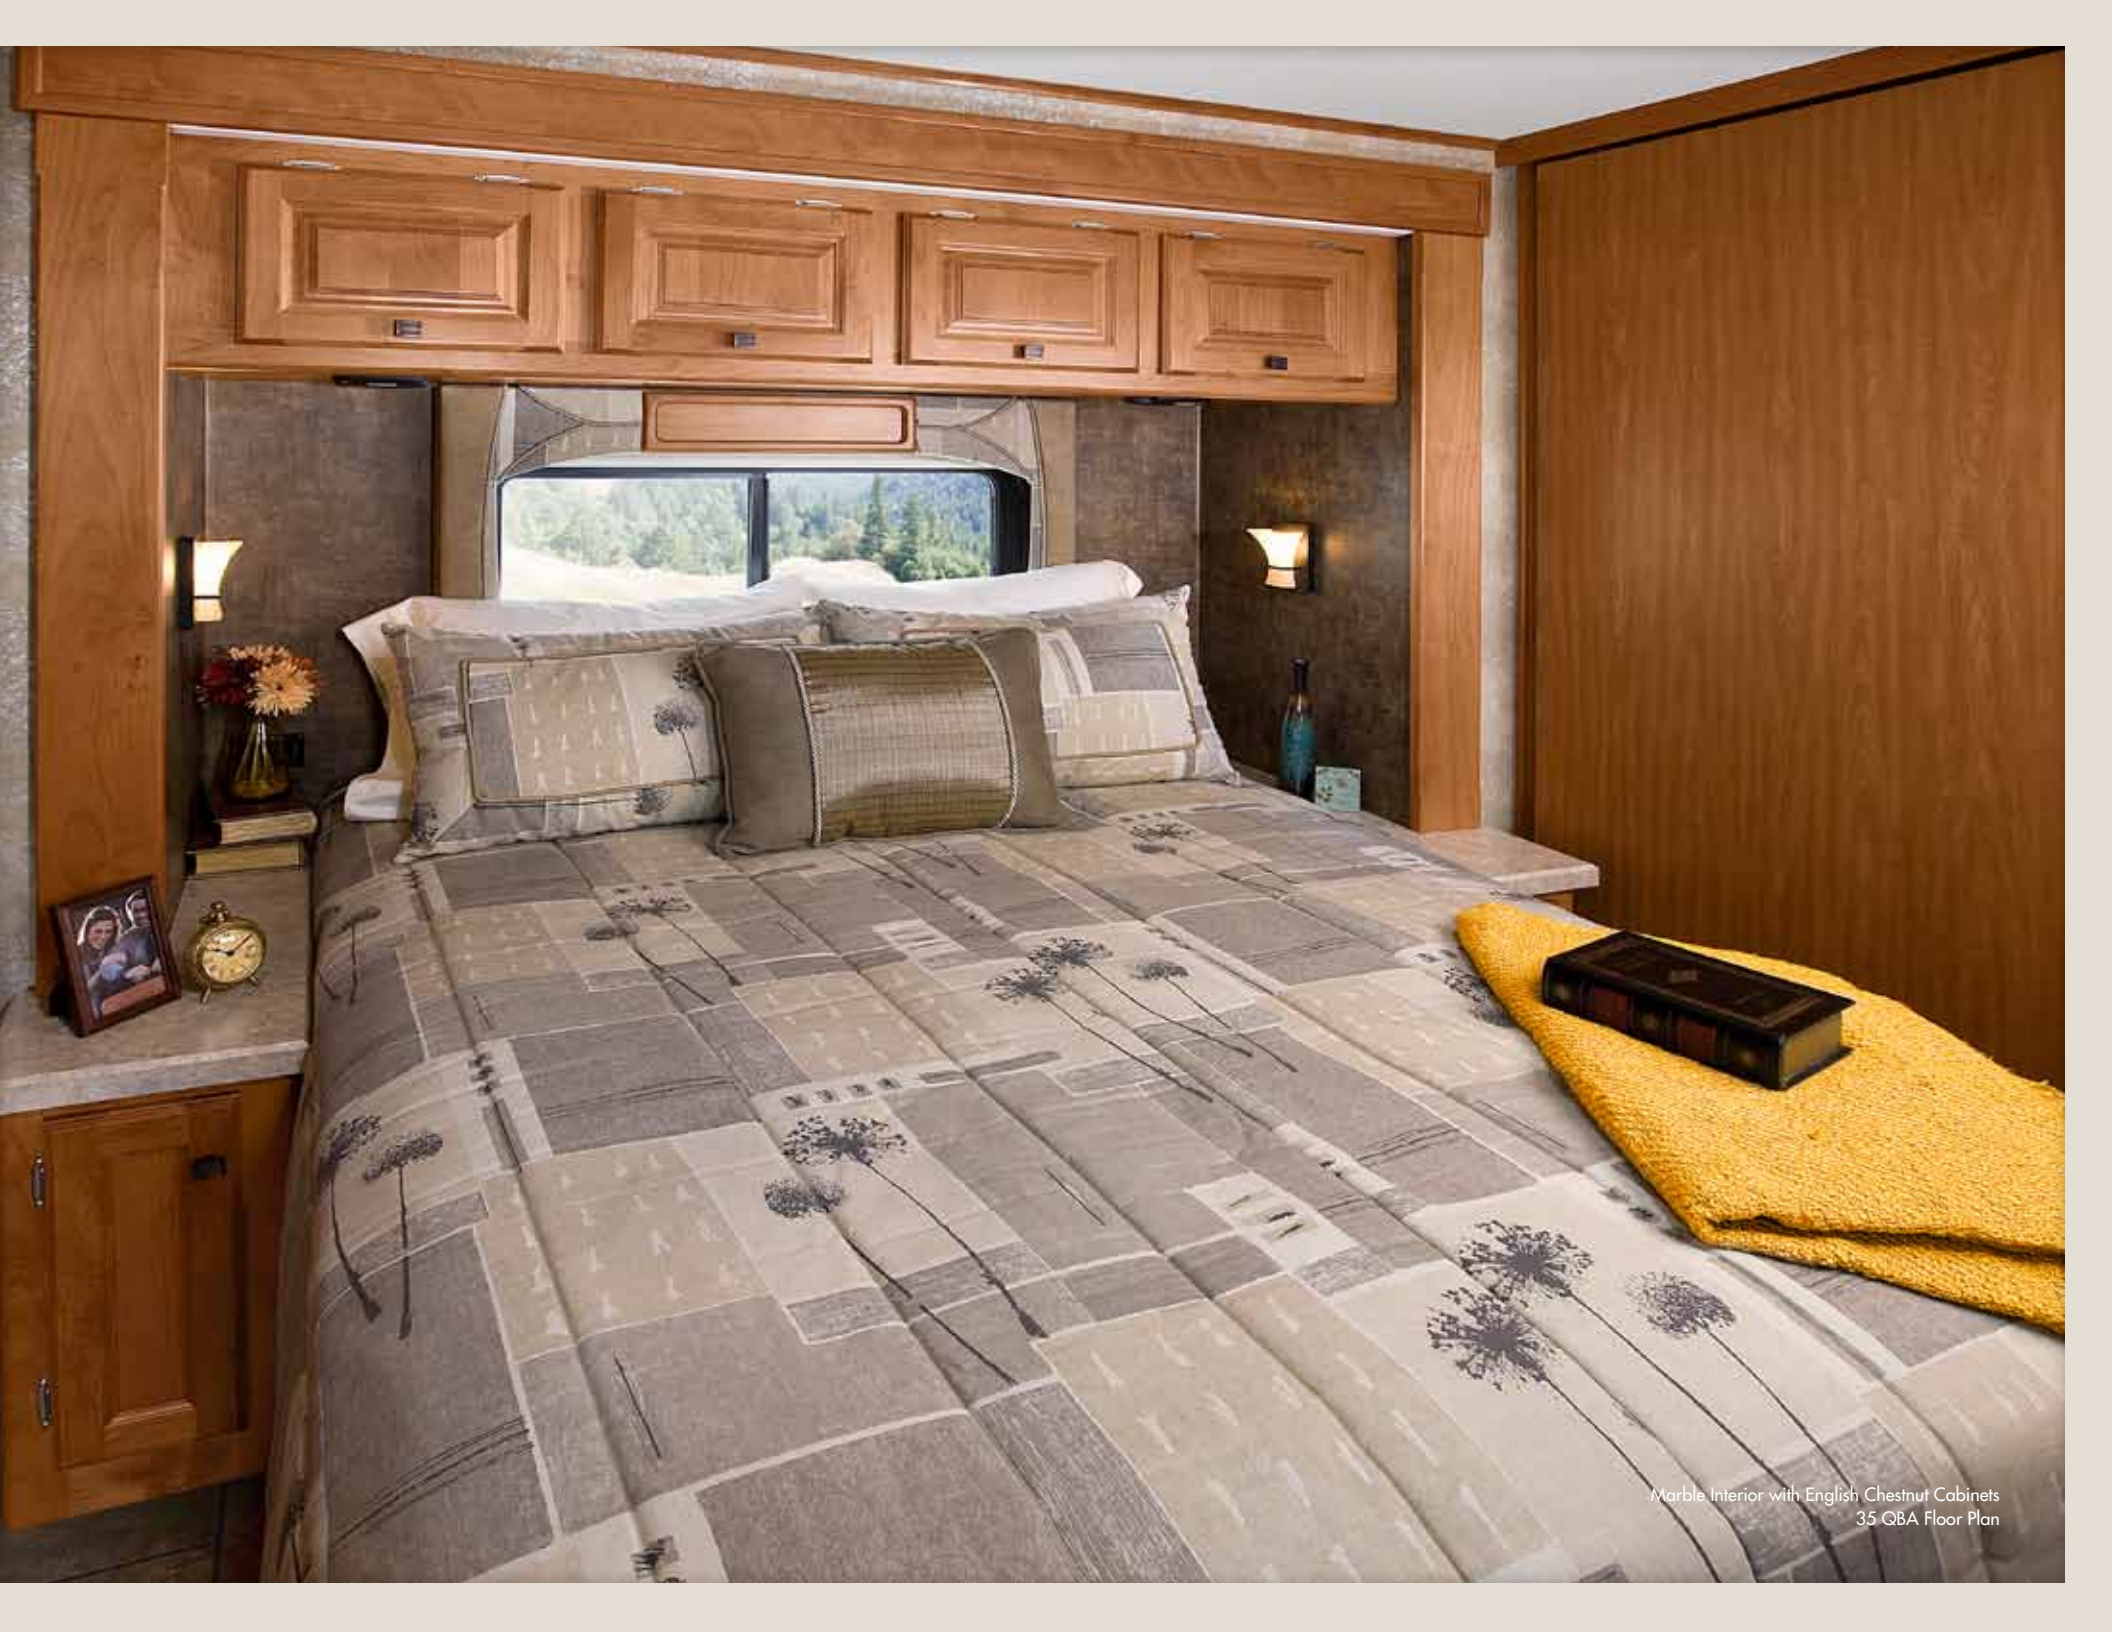

Riveting performance from the best seat in the house. Available in a choice of Ford or Workhorse chassis, the Allegro's engineering and construction are pure Tiffin, with roof, wall, and floor built as sturdy as our top-of-the-line models. You'll definitely feel that difference behind the wheel. Easy to drive and maneuver, it handles impressively for such an affordably priced coach. Plus, with a trailer hitch capacity of 5,000 pounds, there's no need to leave the boat at home. Convenient access to the lighted instrument panel puts controls in easy reach, including the automatic leveling jacks and the windshield privacy shade. Driver and passenger seats swivel to face the living area until it's time to put the pedal to the metal and hit the road.

2011 ALLEGRO / **BEDROOM**

Sleep in your own bed, no matter where you are. A queen-sized bed with innerspring mattress comes standard in the Allegro master bedroom, an inviting place to rest and recharge for another day of family fun. Optional bunk beds can accommodate additional guests. All the comforts of home are here – full bedroom carpeting, nightstands, automatic lighting in the rear wardrobe, and custom-crafted cabinetry with overhead reading lights. An optional TV lets you enjoy a movie before lights out. There's plenty of storage, too, in the bedroom and living areas, as well as below with under-coach space with bins for luggage and traveling gear ranging from 57 to 69 cubic feet. So, you'll have everything you need to rise and shine.

2011 ALLEGRO / **BATHROOM**

Your own oasis on the open road. There's nothing like a hot shower to start the day or after a busy day of traveling. Isn't it nice to be able to just bring one along with you? In the separate, private bathroom, you'll find all the essentials. A large, one-piece fiberglass shower and bronze vanity faucet come standard, as does the tile flooring, which is durable and easy to clean. Special details, like a skylight in the shower and custom cabinetry, manufactured in-house by skilled Tiffin craftsmen, help to create a lovely, refreshing space.
