

Vista

WINNEBAGO

Why Vista?

- Touchscreen AM/FM dash radio with CD/DVD player (SiriusXM® ready)
- Dash workstation with USB cable connection
- Available exterior entertainment center (NA 26HE, 31KE)
- Available powered StudioLoft™ bed
- Walk-through bath with private bedroom access (31BE)
- Powered MCD blackout front shade (NA 26HE)
- Tailgate Package (29VE)
- Versa easy-swivel driver's seat
- Bunk beds (31BE)
- Powered patio awning with LED lighting
- MCD blackout roller shades

On the Cover: 29VE Solar Flare Deluxe Graphics

29VE Stardust with Honey Cherry Cabinetry

Uncompromising Value

Winnebago® never compromises quality, which puts the affordable Class A Vista® right at the head of the class in value. It scores high marks for floorplan variety that offers full-wall slideouts, bunk beds, U-shaped dinettes and more. The new 29VE brings a fresh twist to the lineup with a bonus exterior kitchen for those gorgeous summer nights in faraway places.

You'll find an abundance of popular features, such as MCD roller shades, LED lighting and the available powered StudioLoft™ bed, all built to Winnebago's legendary quality standards. If you're ready for a Class A coach that is big on features and easy on the budget, the smart money is on the Winnebago Vista.

Recognized Quality

The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service and support. Winnebago Industries is proud to be the only manufacturer that has received this award every year since its inception.

29VE Stardust with Honey Cherry Cabinetry

The six unique Vista floorplans are each designed to provide ample space to relax, stretch out and enjoy each other's company. The dinette and sofa/bed (NA 26HE) double as sleeping spaces, plus you can add the StudioLoft bed. It tucks into the ceiling offering an unobtrusive solution to quickly provide a bed for family or friends. An HDTV connected to the cab DVD player provides endless entertainment in very contemporary surroundings that include MCD roller shades, LED lighting, and your choice of four interior designs.

MCD Blackout Roller Shades

29VE Galley

29VE Full-Extension Drawer Slides

29VE Refrigerator/Freezer

The galley features an open floorplan that gives the entire coach a more spacious feel with a decorative backsplash that ties the whole room together. Enjoy hassle free meal prep with easy access to the microwave oven, 3-burner range with oven, and refrigerator/freezer.

29VE 3-Burner Range with Oven

29VE Microwave Oven

29VE Bedroom

Every Vista offers the comfort and privacy of a master bedroom. Each floorplan boasts a walk-around queen or king bed with plenty of storage for your clothes to help you start and finish your day right. The bunk beds with available DVD players and monitors in the 31BE are perfect for families or a trip with your hunting buddies. Finally, wind down with your favorite show on the available HDTV in the 27PE, 29VE, 31BE, and 32YE.

W

Dash

The fully adjustable Versa driver's seat pulls double duty as a comfortable lounge seat while easily turning to face the living area alongside the passenger seat. The 6.2" LCD screen acts as a rearview monitor and doubles as a touchscreen to control your radio, DVD/CD player, iPod®/MP3 player, Spotify®, and AppRadio®. It is even SiriusXM-ready to deliver crystal-clear programming throughout the continental U.S. A Passenger dash workstation with USB and 12-volt outlet helps you stay connected no matter how far off the beaten path your travels take you.

Passenger Dash Workstation

Powered Mirrors with Defrost

The 29VE puts few limits on your living space with an available outdoor kitchen that includes a portable stainless steel grill, refrigerator, and sink and an exterior entertainment center (also available in the 27PE, 31BE and 32YE) with an HDTV and speakers. Like all of the large exterior lighted storage compartments, the entertainment center is held securely behind easy-open paddle-latch doors with dual latching points. All Vista models include a standard powered patio awning to help you enjoy more time in the great outdoors.

29VE Tailgate Package

Stainless Steel Wheel Liners

Fiberglass Roof

The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Rubber Can't Cut It

Rubber roofs used by competitors can streak and degrade over time.

Thermo-Panel® Sidewalls

By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable and lightweight sidewalls.

E-Coating

An electrodeposition coating helps protect critical steel components.

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

Laser-Cut Tubing

Precision laser cutters create precision joints in structural steel that are stronger and require less welding.

Interlocking Joints

Specially engineered interlocking joints connect the floor, sidewalls and roof where competitors often rely on simple screws to bear the weight.

Solid Framework Structural extruded aluminum creates an extremely strong solid frame.

**SUPER
STRUCTURE**

BUILT TO LAST

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago's® legendary SuperStructure® construction design. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

TESTING Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS At Winnebago, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE We process and finish key aluminum parts. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

**SUPER
STRUCTURE**
BUILT TO LAST

36-month/36,000-mile limited warranty on structure⁸

10-year limited parts-and-labor warranty on roof skin⁸

FOOTNOTES

- The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please check with your dealer for further information.
 - Floorplans feature a wide-body design - over 96" in making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
 - The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
 - Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
 - Capacities shown are tank manufacturer's listed water capacity (WC). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
 - Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
 - See separate chassis warranty.
 - See your dealer for complete warranty information.
- NA Not Available
Not all items available in combination. See dealer for details.

Winnebago's continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
