LEXINGTON 255: SPACIOUS, LUXURIOUS LIVING

LEXINGTON 255: BEDROOM AND "DREAM" DINETTE

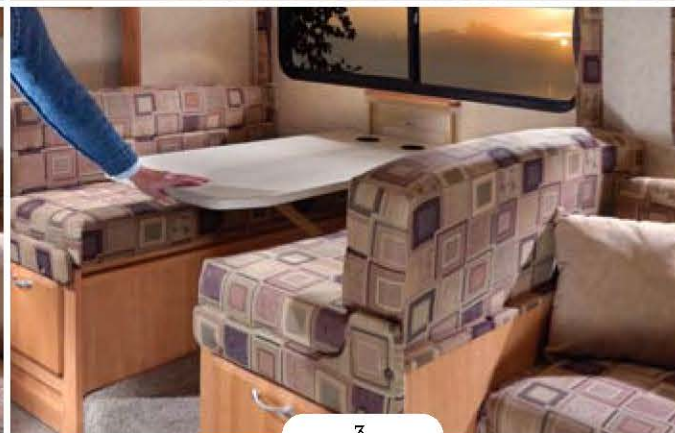

You can't judge a book by its cover. The compact design of the Lexington conceals a spacious interior with amenities found in many high-end Class A Motorhomes. The contemporary styling of the Lexington GTS includes a 3-burner stainless steel range with convection oven, rich upholsteries and an easy to use 5.1 Surround Sound System.

The Bedroom in the 255 features a slide out bed that allows for a "wall of storage". His and Her wardrobes and plenty of drawers make packing a breeze.

New for this year, the Lexington will include a "Dream Dinette". With the flip of a lever this innovative table top lowers into bed position with ease. So simple the grand kids can do it.
