# 

Slip behind the steering wheel of an Airstream Interstate, and you'll feel as if you're in a luxury automobile; yet with a complete kitchen and bath, full interior headroom, and generous sleeping area, you have your-on-the-road accomodations contained within park-it-anywhere convenience! Take it on weekend trips or extended tours - the Interstate can easily adapt to both.

With a Mercedes-Benz drivetrain, the Interstate offers exceptional power, performance and fuel economy. Unibody construction, 4-wheel disc brakes with ABS, driver and passenger airbags, power windows, locks and mirrors, cruise control and a towing capacity of 5,000 pounds provides the immediate driving satisfaction you deserve and the long term investment value you demand.

The Airstream Interstate provides spontaneous freedom supported by distinctive design, outstanding performance and lasting value. You will love getting to your destination just as much as being there.

It's all in here!

As much as we have designed the Airstream Interstate for performance and efficiency, you can quickly see how exceptional it is when it comes to the interior features.

Our skilled designers, cabinet makers, electricians and upholsterers continue to maintain the high Airstream standard of excellence:

- . Color-coordinated fabrics
- High quality flooring
- · Cherry laminate cabinets
- An entertainment center with cable and satellite pre-wire
- Telephone hook ups
- Our trademark aluminum lining the walls and ceiling.

These are just a few of the Interstate's features. See for yourself!

This is truly the all-purpose RV for today's active lifestyles: it's a deluxe motorhome, a spacious second car, and a powerful tow vehicle all in one.

## Significant details

The driver's compartment has luxury seating, a cherry accented dash, deluxe climate control, and outstanding window visibility; all high technology with only the highest quality.

The split rear doors give instant access for kitchen and bathroom maintenance.

Inside, the Interstate's two sofas convert into a roomy and comfortable sleeping area. Enjoy the available flat screen TV and DVD with Surround Sound and a powered subwoofer - from bed!

The Interstate's curbside awning provides great outdoor protection from sun or rain, while expanding your living area into the great outdoors.

Integrated storage is in all the usual places - but you'll also find it where you might not expect it, inside and out. Ask your dealer to give you a tour - you'll see how well planned and unobtrusive storage can be.
