

Alpenlite FIFTH WHEELS

from Western Recreational Vehicles, Inc.

Just like the strong foundation of our family owned business, Western Recreational Vehicles, Inc. has been building some of the toughest, most reliable Fifth Wheels, Motor Coaches and Truck Campers for over three decades. We understand that tradition is the key to creating premium quality recreational vehicles year after year. We take pride in using state-of-the art design technology, and high quality name brand components to build all Alpenlite Fifth Wheels. Along with high quality and comfort, other top priorities include: user friendly features, attention to detail and customer satisfaction.

Our Western RV family believes trust and experience go a long way. Our more than 30 year commitment to quality, comfort and reliability is a family tradition. So no matter where your journey takes you, trust our family to be there for your family.

ABOVE: MEDINAH 32RL LIMITED • Aspen Exterior shown with A6E 9000® Fabric Awning, Roof Rack and Ladder and Extended Pin Box options.

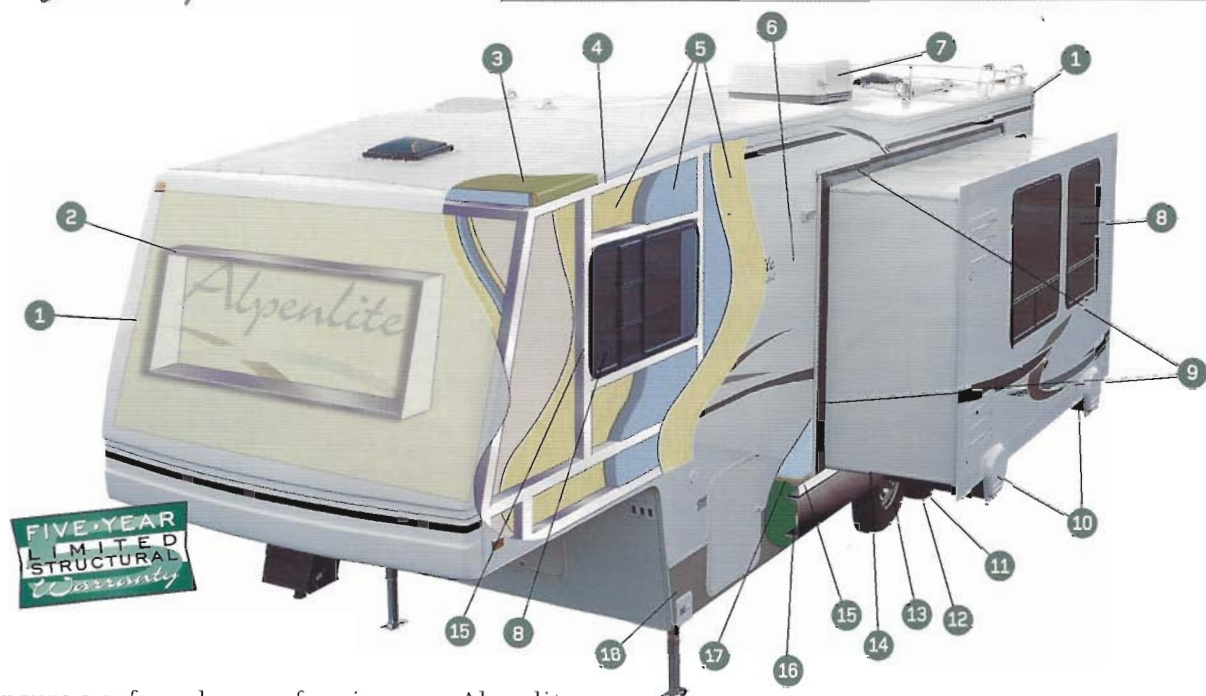

OAKMONT 30RL LIMITED • Mood Indigo Interior shown with Residential Stereo with Surround Sound, Laminate Hardwood Floor, Magic Bed, Ultra-Leather Upgrade Rocker/Recliner and Convection Oven Upgrade options.

The Stonecreek 36RL Limited and Portofino 36RL Villa come with the added benefit of a built-in computer desk and entertainment center. It features a spacious work area for writing letters, using the computer to keep track of the stock market online, or any other task. Or you can sit back and relax while watching TV from a standard Flexsteel® premium rocker/recliner.

A brisk morning run, a horseback ride on the beach, or skipping stones in your favorite lake all seem better knowing you have an Alpenlite waiting for you.

To ensure a safe and worry-free journey, Alpenlite Fifth Wheels are built with quality and care. Our high standards of construction provide a first-rate fifth wheel with staying power. Alpenlite is also designed with abundant storage space and unmatched fluid capacities. But, just don't take our word for it. Alpenlite was recently chosen as a Best Buy by "Consumers Digest" magazine. An unbiased testimonial to prove our point. Some of Alpenlite's many features include:

1. Fiberglass front and rear caps were pioneered by Alpenlite and are hand laid and rolled ensuring exact fit, finish and superior quality.
2. A unique front support box under the front cap ensures impact resistance, wind deflection, and proper support against inward depression in even the most severe conditions.
3. 3 1/2" tapered polystyrene block foam insulation with 1/4" AC marine grade plywood finish the aluminum framed, fully vacuum bonded roof with EPDM seamless rubber sheeting crowned specifically for water drainage.
4. An exclusive spline application of the Brite-Ply® roof membrane eliminates virtually hundreds of staples and minimizes the possibility of water intrusion.
5. Interior vinyl wall covering, 2lb. polystyrene block foam and a luan protective weather barrier next to the outer fiberglass skin, provide incredible strength, insulation, and 100% total lamination and vacuum bonding of all components.
6. Alpenlite's smooth Fiber-Span® high gloss gelcoated exterior surface provides an automotive look and is almost 4 times thicker than most other fiberglass products.
7. Air conditioner ducting is routed through 3 1/2" block foam insulation and foil lined Amoco® board eliminating condensation and heat transfer, while providing more efficient cooling.
8. Solarcool mirror reflective windows are 33% thicker than other commonly used glass for increased strength and

thermal insulation. The mirror reflectivity adds privacy while controlling interior temperature and blocks out 94% of damaging ultraviolet rays.

9. Rubber bulb and blade seals on each slide-out provide protection in even the most inclement weather.
10. All living and galley slide-out rooms are driven with Power Gear® heavy duty electric motors and rack and pinion gearing for easy operation.
11. Accu-Gauge® waste tank monitoring system that senses tank level by electric impulse. No tank probes to leak or attract build-up for inaccurate readings.
12. The fresh water and waste tanks are well insulated, heated and mounted between the frame rails for a low center of gravity.
13. 16" U.S. Wheel® clear coated chrome automotive style wheels and Goodyear® tires assist in capacity and ground clearance.
14. Custom designed aluminum framed and insulated flush slide-out floor. No uninsulated plywood floors that decrease R value and cold weather comfort.
15. 1 1/2" x 1 1/2" complete welded aircraft quality 6005 T-5 aluminum alloy tubing, with 1 1/2" x 3" main floor tubing. Characteristics of 6005 T-5 aluminum alloy are increased weldability creating stronger joints, lower heat and cold transfer, increased thickness and higher tensile strength than most commonly used tubing.
16. Sturdy structural C-channel steel main frame and under-carriage is engineered and manufactured in-house ensuring structural integrity, proper weight distribution, maximum payload and will accommodate an oversized slide-out room. Structural C-channel provides 24% greater yield strength than competitor's comparable welded I-beam chassis.
17. 5/8" Sturdi-Wood® floor decking eliminates multiple seams and annoying squeaks.
18. The unique "drop chassis" design provides additional height to the storage compartment for handling of bulky items without increasing the unit's exterior height.

Custom Chassis

Fully outriggered steel chassis
Drop framed chassis for increased storage
Structural C-channel steel main frame and undercarriage for increased strength
Leland Jake® adjustable axle spring hangers for proper towing height
Dexter® Nev-R-Lube® axles w/5 yr./100,000 mile limited warranty
Gabriel® shock absorbers
U.S. Wheel® automotive clear coated modular chrome wheels
Balanced tires
Goodyear® 16" radial tires
BAL® Independently operated heavy duty rear stabilizer jacks
Atwood® power front jacks w/manual override
Elect. operated rack & pinion gear slide-outs
Kwik® deep tread triple entry step
Fabex® adjustable pin box with increased stress reinforcement

Entertainment Features

27" RCA® living area stereo television w/remote & audio/visual jacks
20" RCA® living area stereo television w/remote & audio/visual jacks - Spyglass & Oakmont only
13" RCA® bedroom television w/remote in enclosed cabinet - Villa series only
Kenwood® AM-FM/cass. stereo system w/6 speakers
Winegard® directional T.V. ant. w/signal amp.
T.V. area or cabinet in all bedrooms w/hook-ups
Interior cable T.V. connections in both living and bedroom areas
Interior telephone jack connection in living area
High quality shielded RG-6 coaxial cable
Pre-wired for satellite dish
Audio/Video control center

Plumbing & Electrical Systems

30 amp electrical service - 29' & 30' only
50 amp electrical service - 32', 33', 35' & 36'
110V GFI protected patio receptacle
Pre-wired for solar panels
Iota® 12V converter/battery charger w/IQ3® technology allowing increased charge capacity, less charge time & overcharge protection
Accu-Gauge® battery condition indicator
3-way 12V disconnect switch
Dual group 27 Interstate® Mega-Tron deep cycle batteries-100 amp hr. & 160 min. RC each
Kwik® dual battery slideout tray
Wrap around tail lights
Deluxe framed & secured clearance lights
Shurflo® WhisperKing water pump w/in-line filter
Suburban® 10 gal. direct spark ignition-LPG/110V water heater
Sanitation station with black tank flush, outside shower, and fresh water inlets - n/a Riviera, Spyglass and Augusta
Accu-Gauge® elect. liquid storage tank indicator
Heated & Insulated dump valve system
Heated & Insulated fresh water tank
Heated & Insulated holding tanks
Weld-A-Flush® black water tank flush
Liquid waste hose carrier
Locking fresh water inlet center
Water heater by-pass
Outside shower
Manchester® dual LPG tanks w/sight gauge
Marshall® automatic changeover LPG regulator

Safety and Convenience Related Features

Spare tire and wheel w/underframe crank down carrier
Back-up lights
Dead bolt entry door lock

Electric drum brakes on all wheels
Flame treated interior fabrics - FMVSS standards
First Alert® galley fire extinguisher
Lend-A-Hand® entry folding assist handle
GFCI receptacles
Hitch light
Interior switched porch / awning / security lights
Interior switched ceiling lights
Lighted and carpeted basement storage compartment.
Atwood Protector® LPG leak detector and alarm
Radius frame safety glass windows
Exterior cable television connection
Exterior telephone connection
Smoke detector and alarm

Body Construction / Exterior

45 deg. MIG welded 6005 T-5 aircraft quality aluminum tube structure
Fully vacuum bonded wall and roof construction
2 lb. density polystyrene block foam insulation
2" overall aluminum cage vacuum laminated walls
Fully sealed underbelly
Fiber-Span® high-gloss gelcoated fiberglass exterior siding
3.75" reinforced aluminum cage laminated solid crowned ceiling
Brite-Ply® EPDM vulcanized double layer rubber roof sheeting, w/12 year limited warranty
3.75" framed main floor
Weyerhaeuser Sturdi-Board® 1/4" one piece flooring
1" insulated radius frame baggage doors w/interior fiberglass surface
30" radius top entry door w/integrated latching screen door
Custom molded fiberglass rear cap
Custom molded aerodynamic fiberglass front cap
A & E® 8500 vinyl patio awning (color coordinated to exterior graphics)
Solarcool mirror tinted windows (for greater heat reduction, insulation and strength)
Torque louver windows
Baked enamel drip rails w/down spouts to minimize "black streaking"

Bath Features

Granicoat® molded one piece vanity sink and countertop w/backsplash
Dressing mirror w/towel bars
High intensity 110V residential light bar
Mannington® vinyl floor covering around toilet
Marine foot pedal flush toilet
Power lift ceiling exhaust fan w/remote switch
Moen® residential shower hardware
Seamless one piece fiberglass shower stall
Carpeted floor access to sliding storage basket in floor

Interior Comforts

Dometic Duo Therm® 15,000 BTU ducted air conditioner
Dometic® 8 cu. ft. double door refrigerator
Full size queen bed - 60"x80"
Full king bed - 76"x80" - St. Thomas & Portofino only
Power Gear® flush floor slide-out in living & galley areas
Mannington® vinyl floor covering
Carriage® deluxe residential stain resistant carpet
6 lb. rebond carpet pad
Fan-tastic® Vent in living area w/wall switch & rain sensor - Villa Series only
Flexsteel® premium steel framed EZ-BE0 sofa w/body conforming viscoelastic foam and high shape retention - lifetime limited warranty on frame
Flexsteel® premium steel framed fabric recliners w/swivel rocker, body conforming viscoelastic foam and high shape retention - lifetime limited warranty on frame

Hardwood coffee table - St. Thomas & Portofino only
Hardwood end table - selected models
Day - night shades
Day - black-out shades in bedroom area
Raised ash refrigerator door panels
Raised ash interior cabinet doors
Residential cabinet hardware
Hardwood slide-out bezel in living area
Walk-In closet and stackable washer/dryer area w/removable storage drawers and counter top - St. Thomas and Portofino only
Closet above w/removable drawers below for combo washer/dryer - all Limited Series and Versailles only
Thin-lite® fluorescent ceiling lights
110V fluorescent residential style galley ceiling light - Villa Series only
Decorator wall lamps in living area
High intensity directional wall lamps in bedroom area
110V living area ceiling paddle fan - Villa Series only
Sealed three burner range w/oven
Bi-folding range cover w/backsplash
Easy clean porcelain stove top w/pilot light
Microwave oven w/carousel
Range hood with fan and light
Moen® nickel-plated stainless steel sink
Moen® single control galley sink faucet
Hardwood sink filler cutting board
Hardwood knife block behind range
Pull-out hardwood cutting board
Pantry w/adjustable slide-out shelves or oversize drawers
Abundant drawers w/residential metal roller guides
In floor ducted heat
Telephone jack in bedroom area - n/a Riviera, Valhalla, Spyglass, Ridgewood and Oakmont
Cosco® portable step ladder - Villa Series only
Wardrobe light
Strut assist bedlift w/storage below
Discovery by Bodyrest® deluxe innerspring mattress
Color coordinated designer bedspread & pillows
Convenience shelf in bedroom area
Hardwood slide-out bezel in bedroom area - St. Thomas & Portofino only
Rubbermaid® oversized storage bins w/lids in overhead cabinets - Versailles & Portofino only

Options

Dometic® 10 cu. ft. refrigerator - stacked
Dometic® 12 cu. ft. refrigerator - side x side - Stonecreek only
Dometic® 14 cu. ft. refrigerator - side x side - Villa Series only
Amana® 21.5 cu. ft. 110V residential refrigerator, side x side, w/chilled water and ice dispenser and 1000W Heart Interface® inverter - Villa Series only
Amana® 30" residential gas 4-burner cooktop - (LPG oven is deleted and the Convection Oven upgrade is recommended)▲ - Villa Series only
Conv. Group including Amana® Residential Refrigerator includes all Conv. Grp. Option features - Villa Series only
1000W Heart Interface® inverter (required to supply ignition power to Residential Cooktop when Residential Refrigerator or Conv. Grp. option is not purchased, or outside 110V power is not supplied) - Villa Series only
Kenwood® 110V residential surround sound stereo w/5 disc CD changer
AGE® 9000 fabric awning w/weather shield
AGE® - One-Step fabric electric awning w/weather shield

Convection oven upgrade - n/a Riviera, Spyglass, Hillcrest and Shorecliff
Central vacuum cleaner w/attachments
Flexsteel® Euro chair w/ottoman - one*
Flexsteel® Euro chair w/ottoman - dual*
Flexsteel® Magic Bed
Flexsteel® Hide-A-Bed - n/a Spyglass, Oakmont, Medinah and Versailles
Flexsteel® premium rocker/recliner, ultra-leather - one*
Flexsteel® premium rocker/recliner, ultra-leather - two*
Dinette booth - Valhalla, Riviera, Hillcrest and Augusta only
Atwood® dual front motor jacks
Extended pin box - n/a Portofino
Fan-tastic® Vent w/thermostat - bedroom
Fan-tastic® Vent w/thermostat - galley exchange - standard Villa Series
Generator ready - propane
Wilsonart® laminate hardwood floor - entry & galley
Dometic Duo-Therm® heat pump upgrade
Skylight in living area w/shade - n/a Villa Series
Neo-Angle tub shower - Hillcrest, Stonecreek, St. Thomas and Portofino only
Winegard® mounted satellite dish w/o receiver
Onan Emerald® 5500W propane generator
Porcelain toilet w/spray wand
Microlene® water filtration system
Topline® roof rack & ladder - Limited Series only
Topline® roof ladder only, no roof rack - Villa Series only
Sunscreens for rear window - RL models only - n/a Villa Series
Siemens® 50W solar panel w/regulator
Television - delete credit
Television swivel platform - Shorecliff only
Thermal pane windows (eliminates torque louver feature)
Washer/dryer ready - n/a 29' & 30'
~~Washer/dryer - combo unit - 29' & 30' limited and Versailles only (available late Fall 2001)~~
~~Washer/dryer - stackable units - St. Thomas & Portofino only~~
Second batt. compt. w/2 Interstate® deep cycle batteries - Villa Series only
~~Desk chair - Stonecreek only - n/a Villa Series~~
Canadian Standard Approval (CSA) - Canada only

Convenience Group Option

100 amp battery charger
(4) Interstate® 12V deep cycle batteries
2000W Heart Interface® inverter (powers microwave, 110V lights and 110V receptacles)
Residential lighting - 110V w/wall lamp dimmer switches
Siemens® 50W solar panel

Exterior Color Groups

Aspen (Beige/Emerald)
Newport (Blues/Grays) - n/a Villa Series

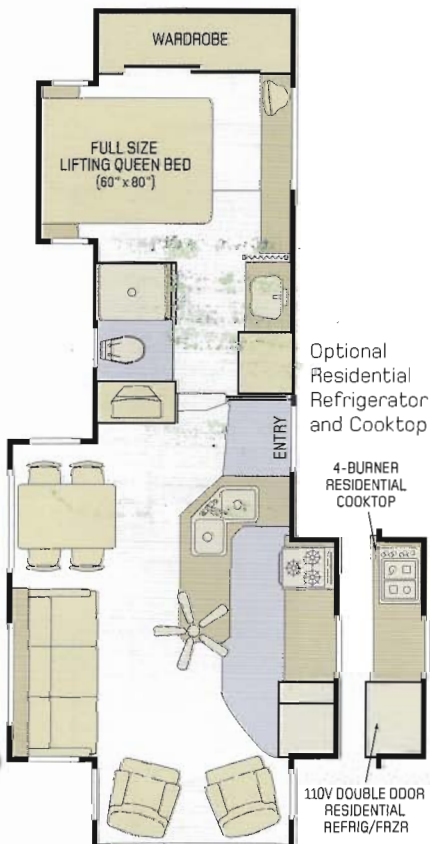

- ▲ Portofino available now, Versailles and St. Thomas available late Fall 2001
- ◆ See floorplans for availability

Experience the *Alpenlite advantage.*

There's more to traveling in an Alpenlite Fifth Wheel than high quality comfort, convenience, and reliability. By owning an Alpenlite, you'll also become a member of an exclusive family. Experience the advantages by taking a journey with the Alpenlite Travel Club. The Travel Club brings Alpenlite owners from across the country together for exciting local and national events, including caravans, campouts, golf tournaments and touring. Last year, people from all over the U.S. and Canada traveled to Alpenfest in Lynden, Washington to celebrate the sixteenth anniversary of the Alpenlite Travel Club.

Travel Club members also receive *The Traveling Echo* newsletter and many other great advantages. Contact the Alpenlite Travel Club at (503) 698-4461 or send your e-mail request to AlpenliteC@aol.com for further membership details.

Make plans to take the Alpenlite tour.

We invite you to visit our state-of-the-art manufacturing facility located in beautiful Yakima, Washington. During your extensive tour, you will see Alpenlites being assembled with tremendous skill and pride. You'll also see our stringent Quality Assurance Program at work. Tours are available Monday through Thursday at 1:00 pm.

5-Year Limited Warranty

All of us at Western Recreational Vehicles, Inc. appreciate the interest you have taken in our popular Alpenlite Fifth Wheels. Please know we are truly committed to your ultimate satisfaction as evidenced in every aspect of Alpenlite manufacturing. From start to finish, Alpenlite construction is precisely planned utilizing superior materials and innovative construction techniques. Thus, we confidently back every 2002 Alpenlite Fifth Wheel with a transferable, 5-year limited warranty. Consult your authorized Alpenlite dealer or Western Recreational Vehicles, Inc. for all the warranty details and benefits of this reassuring industry-leading warranty coverage.

Every effort has been made to use accurate photographs, product descriptions and specifications at the time of printing. However, because of continuous and progressive product improvement, specifications and descriptions, including weights and measures, are subject to change without notice.
