

America's Premium Motor Coach

2006

Like the strong foundation of our family owned business, Western Recreational Vehicles, Inc. has been building some of the toughest, most reliable Motor Coaches, Fifth-Wheels, Travel Trailers and Truck Campers for over three decades. We understand that tradition is the key to creating premium quality recreational vehicles year after year. We take pride in using state-of-the art design and technology to build the luxurious Alpine Coach. Along with high quality and comfort, other top priorities include: safety, attention to detail, premium features and customer satisfaction.

Our Western RV family believes trust and experience go a long way. Our 35-year commitment to quality, comfort and reliability is a family tradition. So no matter where your journey takes you, trust our family to be there for your family.

"Janet likes the well thought out storage areas and beautiful interiors, but I love the handling and performance so much that this is our second Alpine Coach."

DAVE & JANET REYNOLDS Sunriver, Oregon

# WITH CHOICES LIKE THESE, YOUR TRAVELING LIFE IS SO MUCH EASIER

MODEL 40 FDQS Amber Premium Exterior, King Dome® Electronic Self-Locating Satellite Dish and Full Length Rear Mud Flap with Stainless Steel "Alpine Coach" Logo options.

The retractable fueling compartment is designed to eliminate the impact of accidental overfills and provide security for your fuel system. Also built into this handy area is a serviceable 7.5 kw Onan® Quiet Diesel generator.

A Flat-Panel Liquid Crystal Television (LCD-TV) and high-definition (HDTV) satellite receiver is an available premium entertainment option.

**COVER PHOTO: MODEL 40 FDTS** Cinnabark Premium Exterior with A&E Power Pro® Awning with Wind Sensor, King Dome® Electronic Self-Locating Satellite Dish and Full Length Rear Mud Flap with Stainless Steel "Alpine Coach" Logo options.

Power Management Controls - The Accu-Guage® tank monitor readout pad, power inverter control and optional Surge-Guard® onboard voltage monitor are conveniently located and out of sight when not it use.

Audio / Video components are neatly positioned, centrally located and simple to operate. The Universal Entertainment Remote Control (shown) is available pre-programmed from the WRV Factory Accessory Center. The remote powers each component needed to enjoy satellite, over-the-air broadcasts and DVDs through the Home Theater Sound System.

A no cost option, the Karadon<sup>®</sup> Solid Surface Dinette Table with single leg and wall mount provides a comfortable area for entertaining. Shown with optional Folding Dinette Chairs.

Carefree® Powervisiors® are standard, offering push-button control for more convenient sunglare protection and driving comfort.

Kenmore<sup>®</sup> stacked Washer / Dryer with Item Shelf and Vintage Cherry Cabinetry options.

**NEW FOR 2006!** The Silver Leaf<sup>®</sup> Monitoring System provides constant engine and overall performance information to the driver at the touch of a button. Standard on all models and available with optional SmarTire<sup>®</sup> Monitor System.

# **First-Class Quality and Comfort**

Western Recreational Vehicles, Inc. is proud to introduce the new generation of Motor Coaches, the 2006 Alpine Coach -*America's Premium Recreational Vehicle*. We're passing on our tradition of first-class comfort, quality and convenience in every *Alpine Coach*.

Alpine Coach

MODEL 40 FDTS Cinnabark Interior with Tuscan Maple Cabinetry, Folding Dinette Chairs, Solid Surface Dinette Table, 21.5 cu. ft. Amana® Residential Refrigerator, Flexsteel® Ultra-Leather Recliner and Ceramic Tile (galley/bath) options. 

MODEL 40 FDOS Amber Interior with Heritage Cherry Cabinetry, Flexsteel® Ultra-Leather Driver and Passenger Buddy Seat with Integrated 3-Point Seat Belts, Flexsteel® Premium Euro Chair with Ottoman, Flat-Panel LCD-TV with HDTV Satellite Receiver, Ceramic Tile (front), Ceramic Tile (galley/bath) and Flexsteel® Ultra-Leather EZ Bed options. dillo

MODEL 40 FDTS Cinnabark Interior with Tuscan Maple Cabinetry, Flexsteel® Ultra-Leather Driver and Passenger Buddy Seat with Integrated 3-Point Seat Belts, Flat-Panel LCD-TV with HDTV Satellite Receiver and Ceramic Tile (front) options.

A valuable feature is the push button electronically operated recessed stepwell cover. Electric activation eliminates freeze-ups common to air activated covers. When the step isn't needed, it's out of sight. (Front door models only)

Pull-out dash drawer with cup holders and coach body function switches for an uncluttered cockpit.

Extra-wide and comfortable Ultra-Leather Buddy Seat with Power Footrest, 8-way Power Adjustment and 3-Point Color-Keyed Seat Belt option.

Easy reading white background and

backlit Actia® Smart Gauges monitor

many driving functions

and will display

diagnostic codes

and messages to aid in service

and maintenance.

**NEW FOR 2006!** The Passenger Control Center offers push button convenience to operate the electronic stepwell cover, a basement storage area light cut-off, interior entry light switch, the hi-intensity patio/security light and an adjustable reading light. The convenient cup holder keeps your favorite beverage close at hand.

### **Total Control**

Even before you sit behind the wheel of an Alpine Coach, it's easy to see the first-class comfort and style. With each year Western Recreational Vehicles, Inc. surpasses even our own high expectations of excellence. We take pride in building America's premium recreational vehicles.

When you travel in a 2006 Alpine Coach, it's like taking all the luxuries and comforts of home along. The Coach offers a variety of first-class features, including spacious rooms, oversized windows, generous headroom, handcrafted hardwood cabinetry finished with residential hardware and much more.

So no matter where your adventures lead, you'll be driving in first-class comfort in an Alpine Coach.

With each new Alpine Coach, we take the time to design and build it with care and ingenuity. From the elegant Flexsteel® premium grade furniture to plush Fabrica® residential grade carpeting, the Coach's interior design shows off your own personal fashion and flair.

The Alpine Coach has been named in national publications as the motorhome "that drives like a european sports sedan," is "...one fine driving machine" and "...it looks and feels like it should cost even more..." See for yourself what everyone is talking about and head to your local dealer for a test drive. *Take a trip around the block and you'll want to take a trip across the country.* 

Alpine Coach Limited

#### NEW FOR 2006!

Residential grade full extension ballbearing roller guides support all cabinet drawers throughout the coach and provide smooth and sturdy operation.

The pass-through galley wastebasket offers easy removal to empty the can from outside the coach through a lockable exterior door. Interior access has been created through a lift-up countertop section in the galley. (Included with the Hydro Hot option. Not available as a stand alone option.)

The Vagabond® whole-house fresh water pre-filter is standard and provides

cleaner water throughout the coach for added health benefits and decreased mineral deposits on bath fixtures, showers and galley surfaces.

MODEL 40 FDTS Meadowlands Interior with Vintage Cherry Cabinetry, GE® Advantium Convection/Microwave Oven, Ceramic Tile (galley/bath) and Fisher-Paykel® Dishwasher options.

MODEL 38 FDTS Cinnabark Interior with Tuscan Maple Cabinetry, Atwood® 22" Gas Oven, 21.5 cu. ft. Amana® Residential Refrigerator and Ceramic Tile (galley/bath) options.

The optional 21.5 cu. ft. Amana® Side-By-Side Residential Refrigerator offers increased storage to handle the longest extended trip. Chilled water and ice are always available through the handy in-door dispenser.

# **Gourmet Style**

Innovative galley designs have been engineered for the Alpine Coach to maximize storage and usable work area in each floor plan.

Available options, such as the revolutionary GE® Advantium Oven, offer time-saving carefree food preparation. The Advantium Oven bakes, browns, broils, grills and roasts up to 4-times faster than a conventional oven using pre-programmed menu items to accurately time cook your favorite meal. Eye-level over-the-range mounting maximizes storage space normally used for a conventional below-range oven.

High quality fixtures, appliances and tough Karadon<sup>®</sup> solid surface enhance your gourmet style for even the novice chef.

The Fisher-Paykel® Dishwasher is an available option on all floor plans. It seamlessly integrates with the galley area cabinetry by utilizing a solid wood front panel and is both water and energy efficient. Residential style and quality to aid in quick meal clean-up!

Alpine Coach

MODEL 36 FDTS Peacock Interior with Natural Maple Cabinetry and Bose® Wave Stereo options.

Residential style solid wood or wood-slat pocket doors partition the bedroom area from the bath area in all floor plans. This feature provides additional privacy and a more residential feel to the bedroom area that our customers have asked for.

# Comfort and Luxury

The comforts of home don't stop in the living room or galley; our engineers have designed unique bedroom areas with you in mind. You're sure to sleep comfortably in the spacious master suite, equipped with a full 60" x 80" queen-size, or in select floor plans, a full 76" x 80" king-size Discovery by Bodyrest<sup>®</sup> deluxe pillow-top inner spring mattress designed for standard fitted sheets. The convenient wardrobe, combined with drawers, offer an abundant amount of space for your personal items. You'll always travel and rest comfortably in an Alpine Coach.

A Flat-Screen TV with built-in DVD player is now standard in the bedroom area on all floor plans. Different programs, whether over-the-air, satellite fed or DVD may be enjoyed independently on each television.

MODEL 40 MDTS Platinum Interior with Natural Cherry Cabinetry.

A large Vanity Make-Up Counter with Karadon® Polished Solid Surface is standard in all 38 and 40 foot floor plans.

Alpine Coach Limited

MODEL 36 FDTS Peacock Interior with Natural Maple Cabinetry and Bose® Wave Stereo options. . . .

00

100

Quality satin nickel finish shower hardware and insulated skylight. An optional tub/shower combination is available.

An additional Vanity Area is found in the 40 FDQS floor plan offering additional privacy and convenience.

MODEL 40 FDQS Amber Interior with Heritage Cherry Cabinetry and Ceramic Tile (galley/bath) options.

### Attention to the Necessities

Alpine Coach owners have always appreciated the unique and spacious bath areas specially engineered for each floor plan. Quality fixtures, abundant storage areas and oversized counter areas are a priority.

A true residential feel and attention to detail will enhance your comfort on the road.

Custom designed, oversized and fully enclosed shower areas are manufactured by Amtech<sup>®</sup> to Alpine Coach specifications using proprietary molds and residential grade enclosures. Reinforcements are strategically placed during manufacturing to create one of the strongest floors available. This also ensures the highest quality fit, finish and up to date styling that will maintain its good looks for years to come.

Notice how, in select floor plans, the Vanity Area is integrated with the slide-out offering additional floor space and comfort in the bath area.

A high-intensity residential style light bar and large medicine chest with mirrored door compliments each bath area.

Folding Shower Seat option for personal comfort.

Alpine Coach Limited

MODEL 40 FDTS Meadowlands Premium Exterior with AGE Power Pro® Awning with Wind Sensor, King Dome® Electronic Self-Locating Satellite Dish and Full Length Rear Mud Flap with Stainless Steel "Alpine Coach" Logo options.

Two-piece "bus style" urethane set windshields seal tighter than rubber gasket applications. Standard forward mounted, chromed, heated and remote controlled mirrors create a larger field of vision for added safety.

> Solarcool mirror-tinted thermal panel windows are standard and increase privacy and insulation.

# Natural Beauty

While the Alpine Coach's interior is magnificent, the exterior is just as impressive, both in appearance and durability. The exterior is built to last and endure any type of weather. Alpine Coach offers five Premium Exterior Color Groups in a striking transitional design as a standard feature.

Each Alpine Coach comes with many premium features, here are a few examples:

- Automotive style integrated tail and auxiliary lower backup lights aid in vision and safety. A specially designed spoiler helps to direct air over the rear cap to minimize road grime from adhering to the cap surface. Available options include a Full-Width Rear Mud Flap to protect your towed vehicle from road debris and a Rear Ladder to aid in easy roof access.
- Integrated into the rear cap, a locking access door allows an easy visual check of coolant, power steering fluid and belts, as well as an easy to reach engine oil fill-all in a neatly designed and finished area.
- The optional A&E Power Pro<sup>®</sup> Fabric Awning with Wind Sensor will automatically retract to reduce the chance of wind damage. A small handheld remote allows operation without having to enter the coach.
- 4. Pass through storage bays are spacious and equipped to handle all of your necessities.
- Alpine's sanitation station is packed with premium features; black and grey tank flush, pressurized hot/cold faucet and showerhead, light, soap dispenser, paper towel holder and connections for 50 amp service, cable TV, city water and telephone.
- 6. Optional Glendinning<sup>®</sup> Power Cable Reel simplifies electrical hook-up and provides fast and reliable coiling for efficient cord storage.
- 7. The optional Hydro Hot<sup>™</sup> Hydronic Heating System includes the 15K BTU Air Conditioner upgrade without heat pump. Benefits include continuous hot water, better interior temperature control and a preset basement storage area temperature for colder season travel.
- Daytime Running Lights, functioning automatically through the headlights, are standard and will increase the visibility of your Alpine Coach to other motorists for an increased margin of safety.

Alpine Coach Limited

# PERFORMANCE AND PROTECTION

When it comes to drivability, Alpine Coach will exceed your expectations with its own Peak Custom Chassis. Our philosophy is simple: Build a coach with handling characteristics reminiscent of a European touring sedan. From the oversized tires that deliver supreme traction and braking, to the powerful standard 8.9 liter ISL 400-horsepower Electronic Cummins® diesel engine, every detail was examined to make the Alpine Coach the finest and safest Premium Coach in its class.

Please see your dealer or contact Western **Recreational Vehicles** for copies of recent product reviews of the Alpine Coach and its high performance Peak Custom Chassis.

Experience the perfect balance of quality, performance and convenience. It only takes one test drive to see why Alpine Coach is changing the standards by which others are measured.

- 1. The engine maintenance center allows access to check engine oil, transmission fluid level, service of air filter, fuel filter, auxiliary air coupler and automotive diagnostic link.
- 2. Every electrical connection is well labeled, coded and harnessed. The use of aircraft and automotive connectors make this system virtually fail-safe.
- 3. The Cummins<sup>®</sup> 8.9 ISL 400-horsepower electronic engine is standard in all floor plans, meets newly mandated federal emission standards and provides quieter responsive power.
- 4. The cooling system for the Cummins® diesel engine earned high honors by passing the strict Cummins® Engine Company test #AEB 90.24 cooling, a critical consideration when purchasing a diesel pusher motor coach.

10,000 lb. capacity hitch with wiring and tow plug is standard for the tow vehicle of your choice

NEW FOR 2006! The optional SmarTire® Monitor System incorporates high pressure transmitters at all tire positions that monitor both pressure and temperature, warning the driver of possible under-inflation, loss of pressure while driving or abnormal heat build-up. The system's graphic display is viewed on the video monitor integrated with the standard Silver Leaf® Monitoring System. The small pre-wired antenna (shown) is standard for addition of optional aftermarket towed vehicle tire monitoring.

- A. Teleflex<sup>®</sup> adjustable throttle and brake pedals are standard, and move with the push of a button to meet your requirements for increased driving comfort and added safety. The automotive inspired hanging pedal design provides the same type of familiar pedal movement you are accustomed to in your own car.
- B. The standard HWH<sup>®</sup> Fully Automatic 4-point Hydraulic Jack Leveling System provides greater travel than air leveling for a better stabilized Coach on almost any terrain.
- C. Two Group 31 Interstate® maintenance-free chassis starting batteries provide a combined 1220 Cold Cranking Amps, and are grouped with 8 powerful Interstate® 6-volt house batteries offering a total 940 amp. hours of service for maximum performance and extended usage. The optional Battery Fill System offers simple push-button water level maintenance of the 8 house batteries through a small electric pump and distilled water reservoir.
- D. The Huck<sup>®</sup> bolted frame adds strength and integrity to the Coach. Huck bolts are utilized for their proven superior strength and reliability, as proven in the 100,000 GVW Class 8 truck market and in every Alpine Coach.
- E. Peak Chassis boasts one of the best handling air suspension systems. It includes Neway's® heavy-duty custom tuned "active" air ride suspension, Bilstein® heavy-duty self-adjusting gas shocks, high performance all steel radials, IPD 15/8" diameter front anti-sway bar and four ride height control valves to constantly monitor and react to changing road and weight conditions at each wheel. When you combine the above suspension systems with one of the best weight distributed coaches in the industry (40% front and 60% rear) you know you have invested in a great driving machine!
- F. The Vansco<sup>®</sup> Power Net Electrical System is fully multiplexed. This state-of-the-art streamlined system allows easier and more accurate troubleshooting and helps to alleviate added weight caused by additional wire, relays and fuses.
- 6. Safety and automotive feel were two leading factors when 15 inch ABS disc brakes were engineered into the Peak Chassis. Decreased heat build-up and increased braking performance over air/drum type systems convinced the WRV Engineering Team to offer this premium system as standard equipment on all models. It is comforting to know this is the same style of performance braking system used in critical applications for airplanes, Nascar<sup>®</sup> and Indy race cars.
- H. The side mounted aluminum radiator is engineered for greater cooling and longevity than others that use common plastic parts. The side mounted muffler system helps to achieve a 10-degree departure angle that won't drag on driveways like rear mounted models.

### **Quality Construction** Fully laminated vacuum bonded 6005 T5 aluminum tube construction with block foam insulation for comfort in any climate. The one-piece fiberglass roof is strong, durable and 5.25" thick to insulate from the sun. Sidewalls are 2" thick while the

floor is 2.25" to create a quiet ride.

All of us at Western Recreational Vehicles, Inc. appreciate the interest you have taken in our popular Alpine Coach Limited Series. Please know we are truly committed to your ultimate satisfaction as evidenced in every aspect of Alpine Coach manufacturing. From start to finish, Alpine Coach construction is precisely planned, utilizing superior materials and innovative construction techniques. Thus, we confidently back every 2006 Alpine Coach Limited with a **3-Year / 5-Year / 36,000 Mile Limited Warranty**. Consult your authorized Alpine Coach dealer or Western Recreational Vehicles, Inc. for all the warranty details and benefits of this reassuring warranty coverage.

# Attention to Detail

Beautiful fabrics and exciting exterior graphics are a few examples of our attention to detail and the extra care that goes into everything we do. Western Recreational Vehicles, Inc. is proud to continue the tradition of building America's Premium Performance Motor Coach – the 2006 Alpine Coach Limited.

Alpine Coach

# Alpine Coach<sup>®</sup> Limited

# ENJOY THE RIDE!

#### YOUR AUTHORIZED DEALER

# Make Plans to take the Alpine Coach Tour.

We invite you to visit our state-of-the-art manufacturing facility located in beautiful Yakima, Washington. During your extensive tour, you will see Alpine Coaches being assembled with tremendous skill and pride. You'll also see our stringent Quality Assurance program at work. Tours are available on Tuesdays and Thursdays at 10:00 am.

## **WRV Customer Service Center**

The new state-of-the-art WRV Customer Service Center, located adjacent to our manufacturing facility, continually strives to provide owners with superior technical support and factory trained technicians to properly care for your Alpine Coach, and acts as an extension of our authorized dealer's service departments. Please visit our website or dial the Center directly, toll free at (866) 567-4133 for more information.

#### COACH CARE

In addition to our authorized dealers and WRV Customer Service Center, Western Recreational Vehicles, Inc. is proud to announce our partnership with Coach Care® to provide service and warranty care for your Alpine Coach. Coach Care® Service Centers form the only nationwide bumper-to-bumper service network dedicated exclusively to recreational vehicles. Coach Care®, another great benefit of Alpine Coach ownership. Please visit www.funroads.com/service for more information.
