

Casita

Family Owned & Operated Since 1983

TRAVEL TRAILERS BY CASITA®
AERODYNAMIC • SLEEK • EFFICIENT

"The Shape of the American Dream"

Casita Enterprises, Inc. has been a family owned and operated business since 1983. The pride we have in each and every trailer we build is reflected in the quality of materials and workmanship, and ultimately in customer satisfaction. We have been truly blessed with a business that spans the globe from the United States, all the way to a steadily growing export of trailers to Japan. Our family of employees appreciates your consideration of our products, and we look forward to helping realize your dream of owning a quality trailer manufactured at our facility here in the heart of Texas. We look forward to meeting you soon!

16' and 17' Spirit Deluxe

- Great for the Family
- Spacious Bath & Shower

With two separate sleeping areas that convert into dinette tables providing comfortable seating for six, the *Spirit Deluxe* is the perfect choice for families on the go. For convenience, the rear dinette can be left permanently in the double bed position, while utilizing the side dinette which is positioned at a large fully operable screened picture window for the ultimate in dining enjoyment!

*Some of the steps
in manufacturing
your new Casita
travel trailer...*

Chopped fiberglass being sprayed onto a gelcoated body mold.

Finished molded lower body/floor pan ready for floor installation.

Wood flooring installed and sealed with fiberglass prior to carpeting.

Hand lay-up woven roving fiberglass matting adds superior strength to the shell.

Skilled welder/mechanics fabricating the metal chassis from 3" channel.

The finished chassis (frame) is thoroughly washed, primed and painted.

Marine adhesives being applied for wall coverings.

Lightweight liners for cabinets, seat bases & shower add strength & rigidity.

Every trailer is thoroughly water tested for leaks in our custom spray booth.

Partial view of our clean and modern fabrication & warehouse facility. *Which one will be yours?*

Stop by our showroom today and see everything Casita has to offer!

Referral Program

A referral program is available with our Casita owners. This program allows you to view the quality of a Casita in your area.

We understand it is much easier to make a decision on what to buy if you can make comparisons. We believe if you can see the Casita, and compare it with other units on the market, you'll understand why so many people are investing in a Casita.

***If you would like to see a Casita in your area,
please call the phone number provided on the price
sheet and further information will be provided for you.***

FABRIC CHOICES

TAN/EARTHTONE

SLATE

16' and 17' Liberty Deluxe

- Versatile Accommodations
 - Two Small Single Beds
 - Double Bed
 - King Bed
- Spacious Bath & Shower

Versatility, convenience and comfort can all be found incorporated into our *Liberty Deluxe* with it's two dining areas that convert into a double bed, two small single beds or a large king size bed. The rear dinette can be left permanently made into a spacious double bed with dining and seating for two using the smaller forward table, or both dinettes can be converted into a king size bed. Three large fully operable screened picture windows provide extra cross ventilation, ample natural lighting and scenic wrap around viewing.

Also Available ~ 13' Patriot

- Perfect weekender
- Bath just like the 16'
- Ideal for small automobiles

The smaller *Patriot* model retains our most popular features, but in a compact design that takes only minutes to set-up for those short weekend trips. The rear dinette converts into a spacious double bed.

Due to constant product improvements, the specifications, component parts and standard/optional equipment are subject to change without notice or obligation. Product photography or diagrams may show equipment that is optional. Due to limitations in the color reproduction/printing process, sample swatches of actual materials used should be obtained by the consumer. Unique Features and Benefits

Space-Age, two piece fiberglass shell construction

- Strong and lightweight construction. Eliminates siding over frame construction. Easily repaired. Easy to clean. Eliminates rusting and other deterioration, and will last and last, no roof seams.

All fiberglass bottom pan

- Eliminates rust problems, eliminates under carriage water leakage. Wood floor completely sealed inside of trailer. Prevents rotting from road moisture and dust penetration.

Heavy duty steel frame

- Improves underbody strength. Protects unit from road and rough terrain damage, and carries heavy duty suspension mounts.

Rubber torsion bar suspension

- Reduces coach vibration, maintenance free and isolates coach from rough terrain, with independent suspension.

Insulated interior

- Eliminates interior condensation. Keeps cool in summer, warm in winter and reduces outside noise levels.

Lightweight, fiberglass interior furniture

- Eliminates warping, easy to maintain, fits decor and makes trailer lighter.

Aerodynamic design

- Low wind resistance when towing. Low cross-wind resistance. Good towing stability, and provides good road stability.

Lightweight

- Pulls with a small vehicle, SAVES on hitch cost, EASY to hook up to vehicle, EASY to handle when towing, SAFER to control on road, less wear and tear on car, and SAVES on gasoline when towing.

Spacious private shower and toilet combination

- Gives privacy and convenience of larger coaches. Allows larger families privacy in use, with more versatility.

Choice of sleeping accommodations

- Choose sleeping accommodations that fit any family needs.

Nearly 50 cu. ft. of storage space

- Can store necessary travel gear conveniently.

Large screened windows

- Provides open, airy feeling and ventilation with a view.

Complete, usable galley as standard equipment

- Store and prepare foods properly.

Potable on board and city water hook up with water heater

- Fresh, hot water at all times.

Top brand-name components

- Quality products insure long life.

Warranty

- 1 full year on Casita manufactured parts and labor.
