

CHEETAH 2005

Live out loud.

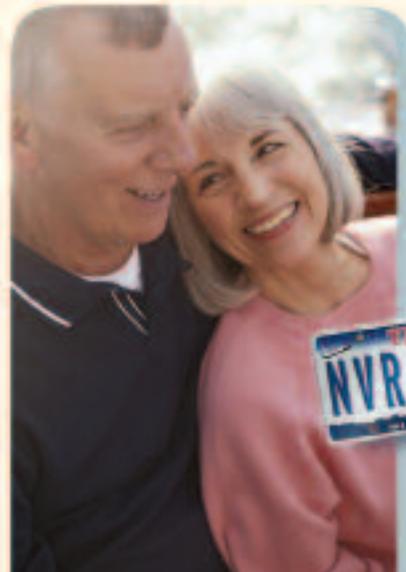

Cheetah 38PDQ shown in Shangri-La with Maple cabinetry.

Ceiling height increased to 81"

NOW, YOU CAN KICK UP YOUR HEELS A LITTLE HIGHER.

That's because this year, we've raised the ceiling height to give you more interior space than ever before. Plus, we've added many new decorative touches, including newly styled slide-out trim with fluted accents, new satin nickel cabinetry hardware and light fixtures, and new designer carpeting. Above, you can see the spacious comfort of the cockpit, with soft touch vinyl seats or the option of our exclusive Ultraleather™ seats — for the perfect combination of plush styling and remarkable durability. So go ahead. Dance a tango. Twirl a baton. Or simply stretch out for your morning yoga routine. In a Cheetah, anything's possible.

**THIS IS WHERE
THE FUN BEGINS.**

Each year, our designers bring you a wide selection of exciting color schemes. And 2005 is no exception. Deluxe full-body paint and distinctive graphics give the Cheetah a commanding presence on the road. While inside the coach, you'll enjoy beautifully coordinated fabrics and your choice of three stunning cabinet styles.

Safari craftsmanship. At Safari, we're always giving you more of what you want in a coach — and less of last year's thinking. Take our floorplans. They come straight from you to the drawing board — they're livable, up-to-date and loaded with options. The 2005 Cheetah offers seven imaginative floorplans from which to choose, including double, triple and quad slide-outs, as well as a bath-and-a-half model.

PLENTY OF ROOM TO GROW.

We know how you love to collect souvenirs along the way. That's why we're constantly finding ways to expand storage capacity. New side-hinged baggage doors give you easy access to the Cheetah's roomy storage spaces. And this year, you have the option of a new slide-out storage tray for the pass-through compartment.

Because life should always be lived at maximum capacity.

THE ART OF SELF-EXPRESSION.

From coast to coast, Safari coaches are recognized by our distinctive optional wildlife murals. Each mural is hand-painted by Dame family craftsmen, and you have your choice of hundreds of designs. Or if you prefer, custom designs are also available.

* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your Owner's Manual for further towing information.

** All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Safari provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Safari dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Safari models. Safari, the Safari logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders.

While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated.
