of fresh ocean air.

Southwind is "the only way to travel" with three contemporary-styled interiors featuring your choice of cherry or maple woods, 27" Panasonic® TV, moveable lounge chair and optional Ultraleather™ captain's chair. An ergonomic-friendly driver's compartment includes in-dash storage and a slide-out computer workstation.

dreaming.

Abundant storage space, mirrored doors and quality crafted cabinets are just a few of the amenities that give Southwind it's dream-like charm. Color coordinated fabrics, pleated shades, decorative lighting and queen-size bed make the master bedroom a beautiful finish to another glorious day.

MAKE IT EASY *on yourself.*

Southwind makes day-to-day living activities a breeze with value-added conveniences, such as a versatile and centrally located monitor panel housing a battery volt meter and an electronic climate control system. Dual A/C controls allow for different temperatures in the front and rear of the coach. Optional features include a Panasonic® home theater entertainment system with DVD that includes six quality sound speakers, as well as a quiet and convenient washer/dryer. A fully equipped kitchen contains a stainless steel sink, single-lever faucet, sealed burner range and microwave. The galley is lined with spacious storage cabinets and working countertops including a flip-up cutting board.

THE POWER PLATFORM MAKES THE DIFFERENCE

- A** Steel I-beams are welded the length of the chassis for enormous weight-bearing ability.
- B** Water tanks run horizontally down the center of the frame for balance.
- C** Beefy steel outriggers firmly cradle all exterior compartments.

THE FACTS BEHIND OUR MOTOR HOMES

Fleetwood uses automotive style bonding for all windshields. Most competitors still use old rubber gaskets.

Fleetwood uses 100% electric slide-outs. Some competitors still use high maintenance hydraulic systems.

Fleetwood Vacu-bonds® all sidewalls, ceilings and floors. Some competitors only vacuum laminate on more expensive models.

Fleetwood uses either all aluminum or steel construction for floors, sidewalls and ceiling structural framing. Some competitors still use wood.

DRAWINGS ARE FOR ILLUSTRATIVE PURPOSE ONLY TO HIGHLIGHT ASPECTS OF MOTOR HOME CONSTRUCTION. ACTUAL MOTOR HOME DESIGN DEPENDS ON MODEL AND IS SUBJECT TO CHANGE.

SIZE + SERVICE + QUALITY = VALUE!

SIZE is being the world's #1 RV manufacturer with Fleetwood® facilities all across North America.

SERVICE means supporting and listening to our customers 7 days a week.

QUALITY is exceptional production from start to finish.

VALUE equals peace of mind & precision manufacturing that's priced right with style.

RV OWNERCARE—

a one-year/three-year warranty with coverage from a company that will be around in the future to service your needs. Ownercare is one of the RV industry's most comprehensive programs and includes systems and applications, construction, no deductible and no service charge. And it is fully transferable for the first 12 months. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

SSQV

Size, Service, Quality and Value. Together they equate to the very best RV you can buy.
